Benefits of LMBR Finance For Schools

- Deliver better services to our customers and staff
- Improved reporting capabilities
- Single source of truth

Benefits for staff include:
- Enhanced transferrable skills, career and development opportunities
- Opportunities to increase knowledge-sharing across the organisation
- Streamlined workflow through standardised and efficient processes
- Easier storage, retrieval, exchange, reporting and analysis of processing information
- Faster access to information
- Efficient resolution of queries directed to the Shared Services Centre

OASIS is over 18 years old, not integrated and not effectively meeting current or future needs
LMBR Finance For Schools Training

Who will receive training?

All staff that require access to *LMBR Finance for Schools* to perform or approve finance related processes will require training.

The amount of training that they will receive will be determined by their financial roll at the school.

How will training be delivered?

Facilitator led and online training

e-Learning

Fact sheets and other training support

Sydney Region ICT Coordinators Days - 2011
Sydney Region ITSSU School Support runs ICT Coordinator Days each term for ICT Coordinators in Sydney Region Schools. These days are aimed at:

- Providing ICT Coordinators with the latest news and information.
- Providing a forum for ICT Coordinators to meet and swap ideas with other ICT Coordinators.
- Providing information of products which may be relevant to the ICT Coordinators role in their schools.
- Providing information of resources which may be relevant in their role as ICT Coordinators.
